Dear Sir / Madam,

Sub : Invitation and call for papers for International Conference on Emerging Trends in Mechanical Engineering during 4th - 5th January, 2013

It gives me an immense pleasure to inform you that, inspired by the great success of four national conferences (ETME-2008 to ETME-2011), Department of Mechanical Engineering, of our institute is organizing **International Conference on Emerging Trends in Mechanical Engineering "ICETME-2013" during 4th - 5th January, 2013.** This conference will provide a forum for presentation and discussion on the state of current research in diversified Mechanical Engineering in India and abroad. The major areas covered in the conference are:

Design Engineering, CAD, CAM & CAE, Robotics, Automations & Artificial Intelligence, Manufacturing Engineering, Metallurgy & Material Science, Industrial Engineering & Management, Product Design & Development, Energy Conservation & Management, Thermal Science & Engineering and Computational Fluid Dynamics.

I request you to circulate this among the academicians, researchers, PG students and experts working in these areas and encourage them to participate in this International conference making it a success.

Your valuable cooperation in this regard shall be highly appreciated. For further details about the conference, visit us at **www.icetme-gcet.com** or mail us at **icetme2013@gmail.com**

With warm regards,

Sincerely,

Dr. Himanshu B Soni
Principal
