INDIAN INSTITUTE OF TECHNOLOGY BOMBAY

IITB RESEARCH INTERNSHIP AWARDS 2011-12

RESEARCH OPPORTUNITIES IN FRONTIER AREAS OF SCIENCE AND TECHNOLOGY

The prestigious IIT Bombay Research Internship Awards provide an opportunity to exceptionally good students to work at IIT Bombay on challenging research problems.

The awardees are required to work full time and will be paid a stipend of ₹10,000/- per month. The number of internships is restricted to 50.

Eligibility details are available on website. Candidates who meet the eligibility criteria must apply online. Selection will be based on the candidate's academic record and research interests, and an interview.

Activity	Timeline
Last Date for submission of Application form	15th October 2011
Tentative Dates for Interview	15th to 30th November 2011
Period of Internship	Between 1/12/2011 and 30/6/2012

*only online applications will be accepted.
