PRESENTS A NATIONAL WORKSHOP ON

I2E

Innovation to Entrepreneurship

26th Jan, 27th Jan 2012

Limited Registration
Students from all disciplines are welcome to participate

Think different ... Be different

This workshop will nurture, foster and promote feasible innovative ideas and take them to the next level closer to getting implemented. Participants will be taught how to think different and then convert that idea into a business module using the tools of entrepreneurial skills. They will get a chance to learn from the best in the business who have been there and done that. Get a chance to learn from their mistakes and to know what it takes to be an Entrepreneur.

All the participants will be provided with a certificate of participation and will be encouraged to stay connected with the mentors to cultivate their ideas into businesses. At the end of the workshop you will know how to –

- Grow the thinking seeds in your mind
- Evaluate a business module for its viability
- Be an Entrepreneur
- Cultivate the plant of ideas into a business tree
- Stay away from the rat race
