

Registration Form

Name : _____

Designation : _____

Name & Address of Organization : _____

Ph. No. _____ Email : _____

Educational Qualification : _____

Professional Experience : _____

Participant category : STUDENT FACULTY OTHERS

Payment Details : _____

Cheque/Draft/Cash : _____

Cheque/Draft No. _____

Dated : _____ For Rs. : _____

Cheque/Draft must be drawn in favour of Principal,
Dharmaj Degree Pharmacy College, Dharmaj, payable at
State Bank Of India, Dharmaj.

Accommodation request : Yes ___ No ___ Gender : M / F

Date : _____ Place : _____ Signature _____

Instructions :

- Registration Fees : Rs. 300/- for STUDENTS and Rs. 500/- for FACULTY & OTHERS.
- The registration fee covers lectures, reading materials, Breakfast and Luncheons.
- Applicants should make their travel arrangement.
- Accommodation facility is available at campus. **(WILL BE PROVIDED ON PRIOR REQUEST ONLY.)**
- Please register ASAP, due to limit of the space only first 100 participants could be accommodated.
- Photocopies of the form can be used.
- Last date of receiving Registration Form is 15th March, 2012.

Mr. Tejash H. Patel	Mr. Jignesh S. Patel
Mr. Dharmendrasinh Baria	Ms. Komal S. Patel
Ms. Kalgi Bhalja	Mr. Rinkesh Patel

Two Days State Level Workshop on

**Practical Approach towards
Analytical Method Development,
its Validation (UV, HPLC, HPTLC)
and Statistical Software Application
in Experimental Design for
Development of
Pharmaceutical Formulations.**

22nd - 23rd March, 2012

:- Managed by :-

**Sanskriti Sanraksha Charitable Trust
DHARMAJ
An ISO 9001 Certified Trust**

An Event Organized by

**Indubhai Patel College of Pharmacy and
Research Centre, Dharmaj**

For further details visit us at www.ipcprc.org**

Objectives of Workshop :

- ☆ To make aware UG & PG students towards Analytical method development & its validation.
- ☆ On screen exposure to sophisticated instruments like UV & HPLC which will build their confidence as a competent pharmacist in Industry.
- ☆ To make expertise student in Designing new formulation with the help of statistical software.
- ☆ Generating New Methods for Quantification of Pharmaceutical Formulation.
- ☆ This workshop will specifically help the students in their academic calendar as these are mandatory subjects in Gujarat Technological University at PG level.
- ☆ It will help them to place in Industry with confidence.
- ☆ **Who should attend this workshop ?**
 - PG students
 - UG students
 - PhD students
 - Faculty Members

How to reach at IPCPRC

About IPCPRC

Indubhai Patel College of Pharmacy & Research Centre (Dharmaj Degree Pharmacy College) was started in year 2006 with vision to provide an education in the vicinity of Charotar region, by Sanskruti Sanraksha Charitable Trust which is ISO 9001 certified Trust.

Achievements of the College :

- ❖ Achieved 1st rank among 84 pharmacy colleges in Gujarat for 4th & 5th semester B. Pharm examination in June 2010-2011, conducted by GTU.
- ❖ Achieved 100% Result in M. Pharmacy.
- ❖ Received Rs. 10,00,000/- from AICTE under IIP.
- ❖ Dr. Nehal J Shah (Principal) has received Rs. 7,20,000 from AICTE under MODROB.

IPCPRC offers basically two programs in Pharmacy Education :

- ★ B. Pharm with intake of 60 seats
- ★ M. Pharm (18 seats per subjects)
- ❖ Pharmaceutics
- ❖ Quality Assurance
- ❖ Pharmaceutical Analysis
- ❖ Pharmaceutical Technology (Proposed)
- ❖ Pharmaceutical Management & Regulatory Affairs (Proposed)

Sanskruti Sanraksha Charitable Trust intends to contribute in the era of rapid change by the reviving the importance of knowledge.

Trust runs following programs :

- ❖ Ipcowala Institute of Engineering & Technology, Dharmaj.
- ❖ Lt. Smt. Shardaben Ghanshyambhai Patel Institute of Management & Studies, Dharmaj.
- ❖ B. Ed. College by name of Dharmaj College of Education.

Program Schedule

EVENT	TIME
22 - MARCH - 2012	
Registration	9.00 to 9.30 AM
Refreshment	9.30 to 10.00 AM
Inaugural	10.00 to 10.30 AM
1st Plannary Lecture by Dr. Lal Hingorani MD., Pharmanza (India) Pvt. Ltd., on Practical Approach towards Analytical Method Development, its Validation (UV.HPLC.HPTLC.)	10.30 to 11.30 AM
2nd Plannary Lecture by Dr. Tejal Soni Principal, Faculty of Pharmacy, DDIT, Nadiad on "Statistical application in Experimental Design."	11.45 to 12.45 PM
Lunch (12.45 to 1.30 PM)	
1st Practical Approach	1.30 to 4.00 PM
23 - MARCH - 2012	
Refreshment	9.00 to 9.30 AM
1st Plannary Lecture by Dr. Nilesh Thakar Manager, Quality Toll Manufacturing. Aventis Sanoffi Ltd. on "Fundamental of HPLC method development and its Validation."	9.30 to 10.30 AM
2nd Plannary Lecture by Dr. A. B. Solanki Associate Professor, Dept. of Pharmaceutics & Pharmaceutical Technology, A.R. College of Pharmacy on "Experimental Design application for Dosage form development and its optimization."	10.30 to 11.30 AM
Lunch (11.30 to 12.30 PM)	
2nd Practical Approach	12.30 to 3.00 PM
Certificate Distribution	3.00 to 4.00 PM
