

ABOUT INSTITUTE

Shree H.N. Shukla Institute of Pharmaceutical Education and Research (HNSIPER) was established in the year of 2005, campus surround in 45 acres land on the bank of Jalpari lake.

The institute is committed for imparting quality education by well qualified academically oriented faculty through state of art facilities and continuous monitoring the student's progress. The cumulative impact of the efforts has brought success to the institute as many of its students have occupied places in merit to ranker university, they have also fetched prize in poster presentation, sport and cultural activities at national level. The encouragement and guidance rendered by the institute has enabled the students to transform their dreams into reality by achieving their targets.

Presently imparting B. Pharm and M. Pharm (Pharmaceutics, Pharmaceutical Chemistry and Quality Assurance) the institute has ambitious plans to establish Ph.D. research center.

Apart from conventional analytical facility, the institute is equipped with sophisticated instruments such as double beam UV/visible spectrophotometer, HPLC, Bookfield Viscometer, Vertical / Horizontal Electrophoresis unit, Micro and Cooling centrifuge, Homogenizer, Fluorimeter & Stability Chamber etc.

Objectives and importance of the Event.

- ✓ The Present seminar will certainly enrich the participants about the Current aspects of Formulation & Development and their patent which plays a vital role in Pharmaceutical and other industry.
- ✓ The session includes tentatively all corners of experimental aspects of pharmaceutical research which helps the participants to develop an insight in applied research. Eminent personalities from industries will deliver in depth information through lecturer & discussion on focused topics.
- ✓ The Present seminar will also give an opportunity to Student and Researchers to interact with industry experienced experts to update their knowledge's regarding Strategies of Formulation & Development and their Patent in Pharmaceutical industry.

ELIGIBILITY

Student, Academician from Pharmacy colleges and Researcher from Industry.

ABOUT EVENT

Event is organized for pharmacy students to bring them together on one platform for interactions and exchange of views. We wish to provide them with opportunity to explore their creativity and innovative skills. These, co-curricular activities would boost them with new energy and help them Recognize their hidden potentials. During the events students can participate in Oral, Poster and Model competitions.

EVENTS SPECIFICATION

Oral : Topic related to Poster & Model Competition, Maximum time limit 10 minutes.

Model / Poster Competition : It should occupy an area of **2ftx3ft** on a subject having any one following theme. (Abstract word limit 200)

Pharmaceutics : NDDS, Natural Polymer, Pharmaceutical Biotechnology.

Pharmacology : Cardiovascular system, Central Nervous System, Male & Female Infertility.

Pharmacognosy : Plant Tissue culture, Regulatory Affair for Herbal Drug, Modern Pharmacognosy.

Pharmaceutical Chemistry : Advance in Analytical techniques, Green chemistry, Combinatorial Chemistry.

REGISTRATION FORM

Strategies Toward Formulation Development and Their Patent Applicability

Name :

Designation :

Participation : Oral Poster Model

Qualification :

Address :

Contact No. :

E-mail :

:: Registration Fee Details ::

Amount : DD No. :

Date of issue : Issuing bank :

Date :

Signature :

Payment Mode : by Cash (Personally) or by D.D. in favors of "Shree H.N. Shukla Institute of Pharmaceutical Education & Research" payable at Rajkot on or before 1st March 2013

Use Photo Copy If Needed

REGISTRATION INFORMATION

- ✓ Registration For Participation In Oral, Poster and Models Competitions Will Be Rs. 150 Per Participant.
- ✓ Student Can Participate In Multiple Events.
- ✓ Winners and runners up will be awarded by prizes.
- ✓ Abstract can be submitted on e-mail id : hnsiper@hotmail.com
- ✓ Last date for registration is 24th Feb. 2013.
- ✓ Photocopies of registration form are allowed.
- ✓ Announcement of selected poster will be on 25-02-2013
- ✓ Registration For Attending Seminar

Student/Academician Rs. 200/-
Industry Rs. 350/-

Payment mode : by cash (personally) or by DD in favor of Shree H.N. Shukla Institute of Pharmaceutical Education & Research* payable at Rajkot on or before 24th Feb 2013

ORGANIZING COMMITTEE

Chief Patron

Shri Nehal C. Shukla (President)

Patrons

Shri Maheshbhai Kiyada (Vice President)
Shri Dr. Mehul P. Rupani (Managing Trustee)
Shri Sanjay C. Vadhar (Campus Director)
Shri Piyush C. Vadhar (Trustee)

Guest of Honor

Dr. Akhay Agrawal (Vice-chancellor, GTU)

Convener / Coordinator

Mr. Sudarshan Singh (Asst. Prof)

Scientific Committee

Dr. Navin R. Sheth (Head of Pharmacy Department
Saurashtra University)
Dr. H. M. Tank (Principal VMCP)
Dr. N. P. Jivani (Principal CUS Pharmacy College)
Dr. Manish Ranch (Principal SJTPT)
Dr. Yogesh V. Ushir (Asso. Prof)
Mr. Dipen K. Sureja (Asst. Prof)
Mr. Nasir Vadia (Asst. Prof)

Stage Committee

Ms. Jigna J. (Asst. Prof)
Ms. Poonan Thumer (Asst. Prof)

Hospitality and Catering Committee

Mr. Bhavik Solanki (Asst. Prof)
Mr. Amish Raymagiya (Asst. Prof)

Advertisement cum Invitation Committee

Mr. Sagar Vekariya (Asst. Prof)
Ms. Jalpa Sanandía (Asst. Prof)

Registration and Kit Material Committee

Mr. Dipen Sureja. (Asst. Prof)
Ms. Yogita Makasana (Asst. Prof)
