

UNIVERSAL COLLEGE OF ENGINEERING & TECHNOLOGY

(Approved by AICTE and Affiliated with Gujarat Technological University)

ABOUT OUR COLLEGE

GLOBAL FOUNDATION & OUR COLLEGE:

Global foundation, a charitable trust eminent personalities from different walks of the life, established **UNIVERSAL COLLEGE OF ENGG & TECHNOLOGY** in 2008.

MEMBERS OF GOVERNING BODY

Mr. N. K. Sinha - Chairman

Mr. Kantiji J Thakor- Vice Chairman

Mr. Janak P Khandwala- Managing Trustee

Dr. N. K. Sherasia- Principal

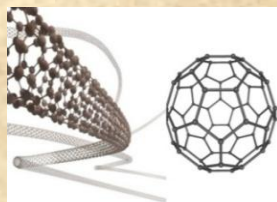

THE UNIVERSAL COLLEGE OF ENGINEERING & TECHNOLOGY strives to inculcate a sound knowledge in engineering & technology with quality education to impart it to our students in an ambience of humanity, wisdom, intellect, knowledge, creativity & innovations. In order to fulfill it we are going to organize **Poster competition on 18th March 2013** in our college for all students of GTU.

OBJECTIVE OF PROGRAM

To build scientific mind in young youth.

To provide a platform for students to observe, understand and present the scientific or technical work running around the world.

To bring the student's study with the current scenario and conscious them with **NANOSCIENCE & NANOTECHNOLOGY, ENERGY & ITS APPLICATIONS AND ENVIRONMENTAL ISSUES**, we have resolute to organize this competition with following 3 topics in 3 different categories (A, B & C).

(A) Nanoscience & Nanotechnology

(B) Energy & Its applications

(C) Environmental issues

HOW TO PARTICIPATE: The size of poster should be 100 cm × 90 cm. The registration fee is Rs. 100/-only per Participant. The last date of registration is **13th March 2013**. Please choose your

interested field and send the filled registration form on **pcucet@gmail.com**.

BEST POSTER AWARD: We will distribute prize to top 3 poster group and participation certificate to all the participants.

Note: Participants have to submit registration fee without failure on the date of event.

We are requesting to all the college students to participate in this competition and expose your knowledge & creativity among the experts and make it fruitful for all the students and society of technology.
