

V.V.P. Engineering College, Rajkot :

In the present era Placement & Results are the Pillars of any education Institute. "Before completion of Engineering, a Graduate should have a job with handsome salary" is a motto of V.V.P. Engineering College, Rajkot. By following this line in this current year **V.V.P. has crossed the magic figure of 100** students & which is a dream of any Institute. Students get the opportunity to appear for the Campus Interview in Top National and Multi-National Companies like Reliance Industries Ltd., ESSAR group of Companies, Matrix ComSec, Nirma Chemicals Ltd, Gujarat Cement, e-Infochip, Argusoft Ltd., Infostrech and many more on regular basis.

One has a dream of having a good job in this direction V.V.P. Engineering College is continuously applying efforts. In this time of industrial recession still V.V.P. has proved its quality of education & dedication to the society. In future it will be the moral responsibility to enhance the placement more from current level.
