About the Institute: SAL Institute of Pharmacy (SALIP), Ahmedabad established in June 2009 by Mr. Rajendra Shah, Chairman, Adarsh Foundation is providing better education and practical training in the field of pharmacy.

SALIP is approved by All India council for Technical Education (AICTE) and Pharmacy Council of India (PCI). It is affiliated with Gujarat Technological University (GTU).

The institute is committed for excellent education in the pharmacy profession and has splendid infrastructure facilities.

The institute is insisted by leading industrialist of steel industries and ex-chairman of Gujarat chamber of commerce- Mr. Rajendra Shah.

Adarsh Foundation has its sub parts like Shah Alloys Ltd., SAL hospital and educational institutes like SAL Institute of Technology and Engineering Research (SALITER), SAL Institute of Management, SAL College of Engineering and SAL International School. The graduate programmes offered by this facilities are rated high by industries, business magazines and by the students.

Innovation, excellence and quality are the driving forces on the campus and this has translated the vision of the institutes of into a reality over a short of time. Today, the campus vibrates with not only world class curricular activities but also with myriad activities like international conventions, symposia, conferences, student competitions, conclaves, short term industry relevant programmes, cultural activities and placement activities.
