The institutes established in the year 2004, is located in a picturesque lush green area of around 16 acres in the heart of Ahmedabad. Within a short span of 9 years, the institute has made significant progress and is considered to be one of the best institutes in Ahmedabad. The real strength of the institute is a proactive management, dynamic, committed, qualified, and disciplined staff. The institute offers 4 years B.Pharm course and also M.Pharm Courses in disciplines, Pharmaceutical Technology, Pharmacology, Medicinal Chemistry, Quality Assurance (QA) and Quality Assurance & Pharm. Regulatory Affairs (QARA) and Pharmaceutical Management and Regulatory Affairs. (PMRA) The institute provides excellent ambience for carrying out research work and currently more than 15 scholars are pursuing their Ph.D. work. The institute has entered into strategic collaboration with various institutes and research laboratories. The Institute is also approved by DSIR (Department of Scientific and Industrial Research) as SIRO. The institute has well equipped laboratories with all modern sophisticated instruments. The institute encourages Co-Curricular activities and ensures the campus to remain vibrant and buzzing with various activities.

ABOUT THE SEMINAR

Rapid strides are being made in the field of medicinal chemistry, analytical chemistry and biomedical analysis. With the unravelling of newer molecular targets and various disease conditions, scientists are making concerted efforts in bringing out newer and safer medicines. Nano Technology, QSAR, Molecular Modeling, Green Chemistry, Protein analysis, Bio-Technology derived products, Computer Aided Drug Design (CADD), chiral compounds & their separation, all are being actively researched in the field of pharmaceutical chemistry.

The aim of this seminar is to make researchers, students and faculty familiar with these developments.
