

Blood Donation & Thalassemia Test Camp

Organized at

Government Polytechnic Rajkot

Date : 6th & 7th March 2013

Under the visionary guidance of the institute principal Prof.K.R.Khatri two day Thalassemia Test camp is organized at this institute on Dt:6-03-13 to Dt: 07-03-13 . The whole program is convened and executed under the leadership of the conveners Prof.D.B.Vagadia and The GTU Associate Dean Prof.D.H.Ahir in support from the co-conveners Prof.M.G.Purohit ,Dr.Smita Chhag , and all other members of the committee as well as the whole institute staff. All arrangements in EC department as well as logistics were supported by Prof.S.J.Chauhan – HOD-EC for this noble cause.Total 550 students have been tested on the first day. The number is raised to 1350 on the second day. The voluntary blood donation program is also clubbed along with the Thalassemia Test Camp. Total 105 bags of the blood is donated by the students of Government Polytechnic-Rajkot to field marshal Blood Bank of the Rajkot. Under the leadership of Company Commander NCC Prof.Purohit the NCC cadets of this institute have supported the whole camp and worked as volunteer in managing the arrangements at the camp. Principal congratulated the conveners and the whole team for successfully handling the whole event. All HODs have motivated students to participate in the camp.
