

ABOUT THE INSTITUTE

With an established reputation as one of the leading Engineering institutes of Gujarat state, VGEC, Chandkheda has become the first choice for many students willing to pursue a B.E. or M.E., to build up their career as an Engineer. Vishwakarma Government Engineering College, Chandkheda was established in August 1994, with an objective of imparting higher education in various fields of engineering and technology. This institute is recognized by All India Council of Technical Education (AICTE), New Delhi and Institute of Engineers (India). The college is administrated by Commissionerate of Technical Education, Gujarat State, Gandhinagar and is affiliated with Gujarat Technological University.

In 2005, the college was shifted at its new campus at Chandkheda, Ahmedabad. The new campus has total 12 blocks with built-up area of 21,000 sq. meter (approx). The campus also has a facility of separate Girls and Boys Hostel for the students coming from outside. At present the institute offers nine under graduate degree programme Mechanical Engineering, Electrical Engineering, Civil Engineering, Computer Engineering, Information Technology, Instrumentation and Control, Electronics & Communication, Chemical Engineering and Power Electronics Engineering and

two post graduate degree programme like, Signal Processing & VLSI Design and Chemical Engineering. The college is located on Ahmedabad-Gandhinagar highway.

ABOUT GUJCOST

Gujarat Council on Science and Technology (GUJCOST) was established in 1986 under Education Department, Gujarat State. Gujarat Council on Science & Technology is functioning as an autonomous society from Date 1-2-2000 under department of Science & Technology. Gujarat Council on Science and Technology shall act as a focal forum to inculcate scientific temper for attaining new heights in research and development for welfare of masses and to improve the quality of their life as well as to solve important issues of socio-economic development of the state by acting as organic link between science, technology and economy.

Seminar/Symposium/Workshop

Gujarat Council on Science and Technology is organizing/financially assisting to scientific Programme, such as seminars, symposium, workshop, conference and training Programme. For this purposes Universities/Academic Agency/Institute/Agriculture Department/R&D Department/Science Centers are supported for organizing such programmes.

GUJCOST sponsored

One Day Seminar on

Women Empowerment: Emerging Technologies, Entrepreneurship Development and Life

Management skills

30th January, 2014

:: Organized by ::

Vishwakarma Government Engineering College, Chandkheda-382424

Patron:

Dr A M Prabhakar (Principal, VGEC)

Coordinator:

Prof Rupal. P. Vyasa (HOD Mechanical Engineering) rupalvyasa@gmail.com

Co-coordinators:

Prof Neepa. P. Shah (Asso. Prof Electrical Engineering) np1shah@yahoo.com

Prof. Sejal Sarvaiya (Asst. Prof. in English Gen. Department) sejal_sarvaiya@ymail.com

OBJECTIVE OF PROGRAMME

The objective of this programme is to enhance career growth of employed women and guide unemployed women through Science, Technology and Engineering education, Entrepreneurship development and Life management skills.

According to the World Bank, countries which promote women's rights enjoy lower poverty rates, faster economic growth and less corruption than countries that do not. "The evidence shows that education, health, productivity, credit and governance work better when women are involved."

PROGRAMME CONTENTS

Emphasis will be given to various technological skills and education, application of information technology, aspects of Entrepreneurship Development and Life Management skills. Presentation and discussion with successful women experts on various selected themes and relevant topics with success stories. Unemployed students will be guided for various avenues and participants will be trained for life management skills for sustainability in professional career in our traditional cultural environment for further empowerment.

Who can participate?

Women faculty members from Engineering Colleges, Polytechnics, PG and BE Final year girl students. **There is no participation fee.** Selection of the participants will be done by VGEC only. ***No TA/DA will be paid to the***

participants and no accommodation is available for the participants.

How to Apply

The applicants are required to send completely filled in application form (photocopy may also be used) so as to reach the coordinator on or before 28th January, 2014 and also send scan copy of filled application form by email to **wdc.vgcec@gmail.com**
