

Report on GUJCOST
Sponsored, One day seminar/Symposia on
“Strategies toward Formulation Development and Their Patent Applicability”
Organized by
SHREE H.N. SHUKLA INSTITUTE OF PHARMACEUTICAL EDUCATION &
RESEARCH, RAJKOT

ABOUT GUJCOST

Gujarat Council on Science and Technology (GUJCOST) established in 1986 under Education Department, Gujarat State. Gujarat Council on Science & Technology is functioning as an autonomous society from Date 1-2-2000 under department of Science & Technology. The GUJCOST-DST department mainly looks after the growth and development of new & emerging technology areas and is responsible for formulation and implementation of key policies in technological sector in the State of Gujarat.

ABOUT INSTITUTE

Shree H. N. Shukla Institute of Pharmaceutical Education and Research (HNSIPER) was established in the year of 2005, campus surrounded in 45 acres land on the bank of Lalpari Lake. The institute is committed for imparting quality education by well qualified academically oriented faculty through state-of-art facilities and continuous monitoring the student's progress. The cumulative impact of the efforts has bought success to the institute as many of its students have occupied places in merit to ranker University. They have also fetched prize in poster presentation, Sports and cultural activities at national level. The encouragement and guidance rendered by the institute has enabled the students to transform their dreams into reality by achieving their targets. Presently imparting B. Pharm and M. Pharm (Pharmaceutics, Pharmaceutical Chemistry and Quality Assurance, the institute has ambitious plans to establish Ph.D. research Center.

ABOUT SEMINAR

A one day seminar was organized for pharmacy students to bring them together on one platform for interactions and exchange of views. During the events students can participate in Oral, Poster and Models competitions.

Inaugural function

Lecture 1
Mr. Abhishek Pandurangi
Founder, CEO, Closer2patents, Mumbai,
Maharashtra

Lecture 2
Mr. Santanu Patel
Senior F&D Researcher Amneal
Pharmaceutical, Ahmedabad, Gujarat

Lecture 3
Mr. Abhishek Pandurangi
Founder, CEO, Closer2patents, Mumbai,
Maharashtra

Lecture 4
Dr. Jigar Lanani
Senior F&D Researcher Alembic
Pharmaceutical, Baroda, Gujarat

Poster Presentation

Model Competition

Oral Competitions

Prize Distributions

Closing Ceremony by Prof. (Dr.) N. J. Patel

Valedictory Function

Conclusion of Seminar

This seminar covers the topics like basics of patent law, including strategies for avoiding common pitfalls that can jeopardize the individual intellectual property rights. The presented Patent Seminar was aimed towards creating Patent awareness, Patent Proficiency in India and also to prepare the young technical and legal professionals in the country for facing, utilizing and benefiting from the emerging Patents scenario in India as well as globally. The seminar also included the conventional and recent strategies for the development of new pharmaceutical formulation which helps the participants to develop an insight in applied research.

Eminent personalities from industries were delivered their knowledge and information through lecturer and discussion on focused topics. The Presented seminar also gave an opportunity to Student and Researchers to interact with industry experienced experts to update their knowledge. This seminar was intended for students, researcher and other delegates coming from different field of pharmaceutical sciences including industries and academia.
