## About Charutar Vidya Mandal

Charutar Vidya Mandal (CVM) established in 1945 as a registered charitable trust, has been striving ever since for the upliftment of rural society through education.

Today, CVM manages more than forty educational institutions. Over a span of last fifty years, CVM has been making spectacular progress; having been responsive to changing socio - economic environment by venturing into various emerging disciplines under the dynamic leadership and renewed vision of Dr. C. L. Patel, the present Chairman of CVM.

## About IICP

Established in June 2004, the college building is spread over an area of 67000 sq. ft. and is surrounded by nearly 5 acres of land. The college offers 4 years undergraduate program in Pharmacy and 2 years postgraduate programs in Pharmaceutical Analysis, Pharm Management and Regulatory affairs, Pharmaceutical Technology and Pharmacology and Toxicology in affiliation to Gujarat Technological University. The institute is an architectural splendor with modern amenities, specifically designed to suit the requirements of pharmacy education and research. The institute is approved by Pharmacy Council of India (PCI) and All India Council for Technical Education (AICTE). The college has been awarded ISO and IAO certificates for Quality Management System.

## Prologue

The present seminar will equip students and professionals for the use hyphenated techniques for its applicability and utilization in the field of pharmaceutical sciences, natural products, biomedical science, environmental science etc. This seminar will provide a major impetus to their work. It will resolve their doubts and inspire them to adopt and use hyphenated techniques. It will serve to quench the thirst of knowledge of inquisitive minds.

## Topics to be covered

Well known researchers from Industry and Academia will address the following key topics:

- ▶ HPLC Method Development
- ▶ LC-MS Method Development and Trouble Shooting
- ▶ GC - MS Method Development and Trouble Shooting
- ▶ HPTLC - MS Method Development and Trouble Shooting
