About ISTE

Indian Society for Technical Education (ISTE) is a national, professional, non-profit making society registered under the Societies Registration Act of 1860. ISTE was founded in the year 1967 with a mission to advance for the cause of technical education. The major objective of the ISTE is to assist and contribute in nurturing top quality professional engineers and technicians needed by the industries and other organizations. Various activities carried out by ISTE includes curriculum development, conducting seminars and training programs, preparing instructional resource materials, felicitating excellence in technical education through awards, prizes and honors, etc.

About the Institute

Darshan Institute of Engineering & Technology, established in year 2009 by Shree G. N. Patel Education & Charitable Trust, is recognized by All India Council for Technical Education (AICTE) New Delhi and affiliated to Gujarat Technological University (GTU). The institute is proud to have to have team of dedicated faculties and is committed to give world-class infrastructure and educational environment so that students can reach their full potential in their chosen discipline and as individual persons. Presently institute offers graduate programs in Civil, Mechanical, Computer, Electronics & Communication and Electrical Engineering and

post graduate program in Civil and Electronics & Communication. The trust also runs Darshan Institute of Engineering and Technology for Diploma Studies which offers diploma engineering programs in all aforementioned branches.

About the Convention

The aim and the aspiration of the convention is to exhibit the technical skills and innovative ideas of budding technocrats, research scholars, representative from academia and industries. The convention will provide a platform for the dissemination of ideas about the innovation in technical education with main focus on the role and vision of a technocrat in sculpting India as a superpower. The convention also comprises several technical events for the Engineering and Polytechnic students, thus giving them ambiance to discuss and exchange their expertise for knowledge enhancement.

Events

- **Paper presentation:** Paper based on the theme of the convention "Technocrats Vision in Sculpting India a Superpower".
- **Show-case:** Exhibition of projects in any domain of engineering. Projects can be either working or conceptual models.
- **Hunt-the-bug:** Competition for programming and debugging in C language.

• **Scrap-yard:** On the spot electronic circuit designing competition.

• **Build-model:** Designing a mechanical model using CAD tools (CREO 1.0).

• **Quiz:** General non-technical quiz.

Participants from Engineering and polytechnic institutes will be grouped separately for all the technical events. Details of the events, rules and regulations are available on college website.

Registration Fees

Faculty/Student	Amount
ISTE Member	Rs. 200/-
Non-ISTE Member	Rs. 350/-

Demand Draft/Cheque should be drawn in favor of Darshan Institute of Engineering and Technology, Rajkot payable at Rajkot.

Fees include registration, participation in maximum of two events, lunch and participation certificate. Institute may send the forms of interested students collectively with a common DD/Cheque.
