

About the Trust

SHRI RAMKRISHNA SEVA MANDAL is a registered society and a public trust established in the year 1954-55, managing more than 20 academic institutions. The trust believes in providing scientific and value based education by maintaining pace with the ever increasing needs of modern educational environment.

About the Institute

ANAND PHARMACY COLLEGE is one of the leading institute of Gujarat established in 1998 by Shri Ramkrishna Seva Mandal. The institute is conducting All India Council for Technical Education (AICTE), New Delhi approved courses since 1998. The institute is accredited by NAAC-UGC with CGPA 2.68. Anand Pharmacy College offers B.Pharm, M.Pharm in Pharmaceutics, Pharmacology, Quality Assurance, Industrial Pharmacy, Pharmaceutical Technology & Pharmaceutical Quality Assurance and Ph.D. courses. The institute regularly invites learned and eminent academicians, industrialists and dignitaries to deliver lectures and create an environment of enthusiasm and zeal among students and staff members for educational excellence.

How to reach milk city of Gujarat?

The milk city Anand is one of the main nodes on the Mumbai-Ahmedabad National Highway No. 8. The Institute is situated in the heart of Anand city as a part of Shri Ramkrishna Seva Mandal campus, near an area known as Town hall, at a distance of about 3 kms from the Anand Railway Station. The transportation facility of bus, auto and taxi are regularly available from railway/bus station since early morning till late mid night.

Preamble

Designing and writing of high quality clinical research protocol requires integrated scientific thinking and writing, where things are interpreted in more ways than one, which not only harms the researcher intent but on a larger platform affects the research also. A need is felt for a long time to share appropriately what we are doing, why we are doing and how we are doing in writing of clinical research protocol and to improve the basic skills of writing a scientific clinical research protocol.

This workshop will be designed in the form of 35% presentation, 30% discussion, and 35% individual and group exercises using examples of clinical study protocols and case problems. Thus, same shall enable each one of the participant to discuss, share and clarify various such issues like using a structured approach to build in quality of the protocol, developing the logic of the protocol, organizing the protocol, writing clear and precise instructions, revising documents with a clear focus.

Objective

The objective of the workshop is to provide and raise the level of awareness and understanding for quality and quality standards in pharmaceutical communication and to introduce and implement writing practices that help increase efficiency and document quality with reference to clinical research protocols. The researchers will be imparted intensive knowledge on key elements of research like effective clinical research methodology, executing research ideas, writing clinical research proposals, advances in thrust areas and techniques.

Resource persons

Eminent resource persons from the academia and industry will deliver in-depth information in the scientific sessions.

Eligibility

This workshop is intended for the professionals in the research institute and pharmaceuticals/ allied industries, pharmacy teachers, research scholars and M. Pharm students.

Registration

Applicants are required to send / deposit their duly signed registration form along with registration fees through cash/ demand draft (in favor of Principal, Anand Pharmacy College, payable at Anand).

Registration fee

Industry.....	Rs. 250
Academicians & Professionals ...	Rs. 200
Students.....	Rs. 150

Kindly superscript the envelope with “STATE LEVEL WORKSHOP on Designing and Writing—Quality Scientific Clinical Research Protocols”
