WCI – ORGANIZING COMMITTEE

Chief Patron

Shri J. N. Patel
Managing Trustee, Vidyabharti Trust, Umrakh

Patrons

Shri K. J. Patel
Trustee, Vidyabharti Trust, Umrakh
Dr. H.R. Patel
Director, S.N.P.I.T & R.C, Umrakh
Dr. J. A. Shah
Campus Director, Vidyabharti Campus, Umrakh
Executive Council Member, ISTE, New Delhi

Chief Guest

Prof. Pratapsinh K. Desai
President, ISTE, New Delhi

Key Note Speaker

Prof. Ami Upadhyay
Director, S.H & S.S.
Baba Ambedkar Open University, Ahmedabad

Coordinator

Prof. Pratima J. Shah
Head of Applied Science & Humanities,
S.N.P.I.T & R.C, Umrakh
9924288842

Co-Coordinator

Prof. Dhruva Patel
Department of Electrical Engineering,
S.N.P.I.T & R.C, Umrakh

Prof. Neetu Yadav
Department of Civil Engineering,
B.V.P.I.T, Umrakh

Prof. Sonia J. Patel
Department of Pharmacology
Vidyabharti College of Pharmacy, Umrakh

ISTE

About Vidyabharti Trust

The Vidyabharti Trust was registered as Public Education Trust under the Bombay Public Trust Act, 1950 in 18/09/1980 registration no. E-1852-Surat with a pious aim to impart quality education and training to the terminal of technical education and allied research; and has now evolved as a symbol of quality education dedicated to nurture the talent and aspirations for the bright future of our nation.

About S. N. Patel Institute of Technology & Research Centre

The institute is approved by the All India Council for Technical Education (AICTE), New Delhi and affiliated with Gujarat Technological University (GTU), Gujarat. S N Patel Institute of Technology & Research Centre is an institution imparting technical education offering courses for under graduation in six specialized branches of engineering and post-graduation programme under three branch of engineering & Technology. Institute has established Environmental Research and Civil Material Testing Laboratory accredited by NABL (National Accreditation Board for Testing and Calibration Laboratories) for testing 97 chemical and mechanical parameters. It is also certified and approved by Gujarat Pollution Control Board as Scheduled-1 Environmental auditor and certified by ISO. Institute has also received Centre of Excellence for Electrical, Computer, Electronics and Communication Engineering for better training of students and to have a practical field problem solving experience along with academics. Institute is also awarded by 'Education Excellence Award' globally competitive and emerging institute of Gujarat by Brand Academy.

About ISTE લક્ષ્મી (બાલકા વેદ. ટ્રસ્ટ)

There is a new conscious woman (MANINI) emerging; mindful; hardworking; busy and responsible.

The women cell seeks to empower women faculty & girl students and educate them on gender related issues, showcasing their talent, boost their confidence, identify their strength areas and motivate them for having their individuality & identity with their career advancement.

Mission

Assist women in achieving full potential in education, career & personal life through academic & intellectual growth and personal empowerment.

Cell would facilitate healthy and pleasant working environment for women.

Cell would facilitate & inspire females for attaining higher education so that the future scope is maximized.

Cell would organize awareness programs & camps for the under privileged women in the society.

Vision

To make a unique platform for the development of all female stakeholders, by providing them opportunities to contribute towards the betterment of the society.

Important Dates

Paper Submission open	: January 27, 2015	Last Date of Camera Ready Copy:	: April 02, 2015
Last Date of full Paper Submission	: March 21, 2015	Last Date of Registration:	: April 09, 2015
Notification of Paper Acceptance	: Within one week	Date of Conference:	: April 11, 2015

"There is no tool for development more effective than the empowerment of women." - Kofi Annan.

About Conference

For centuries women were not treated equal to men in many ways. They were not allowed to vote, to own property, they did not have a share in the property of their parents and they had no right to take decision concerning their own lives. Now that we have come out of those dark days of subjugation of women there is a need for strong movement for the empowerment of women. The present conference has been planned with a view to discuss the various issues concerning to the empowerment of women and to suggest measures for achieving this end.

With the changing time it has become very significant to have equal space and contribution from women in each and every field to have over all development of the society. In the field of science, engineering and technology also it is a need of the time that girls/women step-into. ISTE લક્ષ્મી (બાલકા વેદ. ટ્રસ્ટ) is dedicated to promote technical and scientific education amongst the girls around the world. Not only this but ISTE લક્ષ્મી (બાલકા વેદ. ટ્રસ્ટ) with girls in Technical Education strives to show concern for the women around empowering them. The women should be in the position of taking control of and responsibility for their lives and situation with all human rights. The empowerment of women is increasingly being taken in the agendas of international development organizations, perhaps more as a means to achieve gender equality than as an end in itself. The empowerment of women includes empowerment at individual level, at group level and at last at community or societal level and at the same time interaction amongst all these.

In the present time empowerment of women has become one of the most important concerns at global level. The initiatives and efforts by the Government to ensure gender equality are noteworthy but society must act proactively towards contribution for the creation of society where women have a better world to live in as equal human being.

Call for Papers

We cordially invite the academicians, researchers, representatives from the various fields of the Society and student research scholars to submit their research papers on the sub-themes in the National conference. All the accepted papers of the conference will be peer reviewed and published in a conference proceeding with **ISBN 978-81-929339-2-4** and best / selected papers will be published in special issues of International Journal of Advanced Research in Engineering, Science & Management with **ISSN 2394-1766**.

- PAPER SHOULD BE SUBMITTED IN THE GIVEN FORMAT ONLY (PAPER TEMPLATE) AVAILABLE ON THE WEBSITE .

Registration Details

- No registration fees for any participant.
- No language bar (English, Hindi & Gujarati).
- Even male participation is welcomed.
- Participation from faculties other than engineering is welcome but Pre-registration is must.
- Interested participants are required to send the filled registration form to the institute through mail / E-mail.

"A woman is the full circle. Within her is the power to create, nurture and transform." - Diane Mariechild
