Under the visionary Guidance of Institute Principal Prof.P.C.Vasani and other senior professors The Centre of Creativity is launched at LE college with the vision to provide

platform to students for various techno academic and cultural activities. A team of senior professors is assigned the work of COC and it is to be done in coordination with the Udisha Club. Prof.K.F.Bhetariya is nominated as chairman of the Centre of Creativity. The Vijayant-12 is the first activity planned under COC – LE College-Morbi.

The Udisha Club Office Bearers and the Students of LE College together have organized a Mega Event VIJAYANT-12 comprising various activities to bring out the talent of students. The whole program is planned for two days which includes events related to P.I. and G.D. , Technical Paper Presentation , Idea Innovations as well as development of soft skills among students. The Principal Prof.P.C.Vasani appreciated the efforts of Teachers and students and extended full support for making the event a Grand success. He appealed all the HODs and Teachers to motivate students to have maximum participation of students in the events planned.

The Program co sponsors are Falcon Pumps – Rajkot , Swellco and Lorenzo Ceramic industries from Morbi.
