## NATIONAL PHARMACY WEEK

Anand Pharmacy College is having Indian Pharmaceutical Association-Anand branch of Gujarat state celebrated National Pharmacy week from 4<sup>th</sup> Feb to 11<sup>th</sup> Feb-2013 at APC campus. Various competitions and health check up camp was conducted based on the theme –“PHARMACIST IN PUBLIC HEALTH”. All the students actively participated and the whole National Pharmacy Week was co-ordinated by Dr. Nirav Patel and Ms. Asha Patel

### 1) **HEALTH CHECKUP CAMP**

Anand Pharmacy College has always believed in exploring the problem in practical life rather than

solving them on paper, one such example is the Health Check Up

# ANAND PHARMACY COLLEGE

Accredited by NAAC, CGPA 2.68 & Approved by AICTE,  
PCI.

Various activities were arranged by M.pharm students of APC. Around 57 patients were examined for their blood group, Blood Pressure monitoring and Normal Body Mass Index, those who found to have some problem were

advised some exercises and diet modifications and those who were normal were counselled to maintain their health by Dr. Chimanbhai Patel- Physician from Red Cross society and Registered Pharmacist Asha Patel. Some information related to self medication and rational use of drug was also explained by the students from post graduation in Pharmacy of APC. Avoiding Medicine is not an easy advice to be given by Pharmacist but prevention is better than cure, hence patients were advised mostly focused on diet modifications and physical exercises rather than taking medicine!

PCI.

Visit to Lambhvel was not only helpful for the village people as they learnt about rational use of medicines but also for the students as they had real life experience of interacting with patients explaining actual role of pharmacist in public health rather than conducting research and development.

**2) COMPETITIONS:** There were 5 competitions judged by Dr. Kirti Patel, Dr. Kalpana Patel, Ms. Sarika Johri and Dr. Tapan Shah.

**ARTICLE WRITING COMPETITION-**A real test of English, Grammar and Creative thinking, a very tough combination to judge on! Our topic was Pharmacist in public health. 18 no. of students had wits to participate but only three had to be selected, those who could strike the right Cord had to be the best of lot.

## • RANGOLI COMPETITION-

A war of thoughts willing to be expressed in form of colours, hence needed a delicate yet confident pair of hand to give full justice to the thoughts .

12 no. of students fought the war of colours and some of them prepared their rangoli with the help of waste material. They showed how pharmacist aware public about various diseases, rational use of drugs, products available in market for smoking cessation, family planning, hos-

pital pharmacy etc

## • LEAFLET DESIGN COMPETITION-

A piece of paper in a leaf let pattern is capable enough to sell properties worth millions, but this time around we experimented the power of leaflet into a social cause to generate awareness among the society about the role of Pharmacist in Public Health by distributing best designed leaflet to the nearby villages, medical stores and Community Health Centre of the Anand.

## • QUIZ COMPETITION-

Only War that spreads Knowledge.....tough minds battles with

each other only to display the Superior IQ Level of self compared to the rest. Quiz Competition had two rounds, screening test round and final spot round.

## • SCITOONS COMPETITION-

An amazing world of cartoon showing the role of pharmacist in a very incredible yet simple way and effective too! In Scitoon competition a lot of talent had participated and displayed their art.
