ABOUT US

Sarva Vidyalaya Kelavani Mandal is a Trust with 85 years of philanthropic history and is wedded to the promotion of education in the North Gujarat region. As part of its social mission and being sensitive to the emerging opportunities in the field of professional education the trust has diversified in the field of Graduate and Post Graduate studies in Management and Computer Studies. It has been a dream natured by the trust of establishing a state of art engineering college LDRP-ITR, which provides best possible facilities for nurturing young talents. The institute is currently offering AICTE approved nine courses i.e. BE Courses in CE, IT, EC, EE, Civil, ME Courses in Production, Thermal & Computer Science and MBA, MCA courses.

ANDROID

Android delivers a complete set of software for mobile devices: an operating system, middleware and key mobile applications.
Android was built from the ground-up to enable developers to create compelling mobile applications that take full advantage of all a handset has to offer. It was built to be truly open.
