## About Charutar Vidya Mandal

Charutar Vidya Mandal (CVM) established in 1945 as a registered charitable trust, has been striving ever since for the upliftment of rural society through education.

Today, CVM manages more than forty educational institutions. Over a span of last fifty years, CVM has been making spectacular progress; having been responsive to changing socio - economic environment by venturing into various emerging disciplines under the dynamic leadership and renewed vision of Dr. C. L. Patel, the present Chairman of CVM.

## About IICP

Established in June 2004, the college building is spread over an area of 67000 sq. ft. and is surrounded by nearly 5 acres of land. The college offers 4 years undergraduate program in Pharmacy and 2 years postgraduate programs in Pharmaceutical Analysis and Pharmaceutical Technology in affiliation to Gujarat Technological University. The institute is an architectural splendor with modern amenities, specifically designed to suit the requirements of pharmacy education and research. The institute is approved by Pharmacy Council of India (PCI) and All India Council for Technical Education (AICTE). The college has been awarded ISO certificate for Quality Management System.

## Prologue

The present seminar will be of immense help to students, academicians and industry personnel as it will provide the basics of analytical and bioanalytical method development and validation. We hope that this seminar will provide an impetus to their work. It will also impart more clarity in the techniques, methods involved in analytical method development.

## Topics to be covered

Well known researchers from Industry and Academia will address the following key topics:

- ▶ Overview of analytical method development
- ▶ Validation of analytical methods
- ▶ Bioanalytical method development
- ▶ Troubleshooting in analytical method development.
