About GSBTM

The State Government of Gujarat, in its resolve and continued endeavors for socio-economic up-liftment of society, has identified Biotechnology as most potential tool for development. The State intends to promote biotechnology sector by building appropriate image, encouraging entrepreneurship, strengthening organizational colorations and forecasting business partnerships. For facilitating the development of biotechnology in the State, Government of Gujarat has constituted Gujarat State Biotechnology Mission, under the aegis of Department of Science and Technology.

Mission:

GSBTM will promote, support and facilitate the development of biotechnology in the state by promoting research and development in the field of biotechnology, by generating the quality human resource in the field of biotechnology and by supporting the development of biotechnology industries by taking effective measures and policy and planning level. To promote, support and facilitate the overall development of Biotechnology in the State To provide institutional, legal, financial and policy support To facilitate networking among stakeholders at Regional, National and International level To facilitate the infrastructure development and R&D activities To create scientific awareness, sensitization, socio-ethical acceptance and adoption to the potentials and application of biotechnology.

About Ganpat University

A splendid, unique and excellent multiprofessional education campus promoted by Mehsana District Education Foundation called Ganpat Vidyanagar has now become Ganpat University vide Gujarat Govt. Act No. 20 of April 2005 & [UGC Notification 2 \(f\), UGC Act 1956](#). The university, having all state-of-art academic infrastructure & accommodation facilities offers diversified, undergraduate and post graduate programs in technical and professional disciplines.

The Ganpat university campus is spread over about 300 acres of land on the Mehsana-Gandhinagar highway. The university offers graduate, post graduate & Ph.D programs in the field of Pharmacy, Engineering Polytechnique, Management, Centre for management studies (GNU-CMS), Computer sciences, biosciences, and Education etc.

About the Institute

S.K.Patel College of Pharmaceutical Education and Research was established in the year 1996 as the first self financed pharmacy college in the North Gujarat Region. The college is approved by AICTE and PCI. It is a constituent college of Ganpat University offering D.Pharm, B.Pharm, M.Pharm. & Ph.D programs. In M.Pharm programs offers 7 disciplines with total intake of 130 seats which is highest in Gujarat state. The college is an institutional member of Indian Society for Technical Education (ISTE). The head-office of the Indian Pharmaceutical Association (IPA) Mehsana Branch is also located at the college. The college has achieved the distinction of being **FIRST ACCREDITED PHARMACY COLLEGE** in the state of Gujarat by NBA-AICTE in 2003 for B. Pharm course and it is re accredited up to 2011.

Objectives

To highlight recent advances and development in the area of Biotechnology & Bioinformatics.

Resource Persons

Eminent resource persons from academia and industry will deliver in-depth information in the scientific sessions.

Eligibility

Students of UG, PG and Research scholars and persons from academy, industries and research centres in relevant subjects area.

Call for Presentation of Posters

Research and Review papers in the emerging fields of Biotechnology & Bioinformatics sciences are invited in form of poster presentation. The size of poster should be limited to 1 x 1 M. Authors are instructed to send the Abstract (not exceeding 300 words) in duplicate. The title of papers should be in bold letter in Time New Roman font, size 12, 1.5 line spacing followed underneath by author name(s), affiliation, postal address, and e-mail for communication. The name of presenting author should be marked by asterisk. The scientific service committee reserves the rights for admission or cancellation of papers for poster presentation. The authors of the selected papers shall be notified through e-mail. Registration is compulsory for presenting author.

How to register:

The applicants are required to send the duly signed completed Registration form (Photocopy may also be used) along with Demand draft of the registration fees so as to reach to the convener on or before 2nd December, 2010.

Registration Fee

StudentsRs. 150/-
Academicians.....	Rs. 200/-
IndustryRs. 250/-

Registration fee should be sent by Cash or D.D. in favour of "Principal, S. K. Patel College of Pharm. Edu. and Res." Payable at Mehsana.

Important Dates

Receipt of Abstract27 th Nov, 2010
Intimation of selection29 th Nov, 2010
Last date of registration2 nd Dec., 2010
