

A National Level Placement Program

# JOB MELA 2011

*Your Aspiring Success Platform* On 17th and 18th of Feb. 2011

- With a grand success of three successive versions of Jobmela, we are proud to announce the launch of "Jobmela 2011".
- This is the platform which provides opportunity to budding graduates to interact with the various companies from almost all fields.
- Last year we registered around 1900 students from all over India and 1600 students had participated with 45 companies from all sectors.
- We have been receiving an overwhelming response from students all over India and hence we are planning to invite more companies and expand the event on a larger basis.
- Last year many excellent companies had visited our campus viz., Enercon India Limited, Elcon Engineers Pvt. Ltd., Munjal Auto Industries Limited, Emco Dynatorq Pvt. Ltd., Tecso Technology Solutions India Pvt. Ltd. & many more.
