## CONFERENCE THEME: "SERVICES MANAGEMENT – THE TRENDSETTER"

Good Services Management is one of the essential components of a nations' economy. It serves to dynamically activate the economy when recovery trends become available. Maturity of the nation, business-wise, is necessary for the success of services Industry. A nations' sound business functioning is dependent on the attitude it possesses and displays. The key factor in the right display of attitude of a nation is noticed in the manner in which its' services are provided.

The right management of services is a prerequisite, since services are often projected as the "face of the nation". Are services in our nation managed right? Does it provide the necessary infusion of right attitude? Does it serve to uplift the "face of the nation"? Is it feasible to change the face of the nation by way of remodeling its services? We look forward to your research papers / case studies/ review articles/ dissertations examining and resolving issues on how services sector can be the trendsetter for businesses in India. For more thoughts, please refer 'Suggested Topics' section.
