ABOUT TRUST

Bardoli Pradesh Kelavani Mandal (BPKM), was founded by visionaries in 1960 at Bardoli, with the objective of promoting higher education and allied research. The BPKM is committed to offering quality education that meets the needs of its students and assisting them in clarifying and pursuing their professional and educational goals. BPKM has currently running many under graduate and post-graduate courses in Arts, Science, Commerce, Management, Computer application, Information Technology, Engineering, Pharmacy, Biotechnology and Nursing disciplines.

ABOUT COLLEGE

Pharmacists play a key role in health care system through knowledge based research, manufacture and distribution of quality drugs and pharmaceuticals. With this thought BPKM established its Degree Pharmacy College viz. Maliba Pharmacy College (MPC) in the Campus of Gopal Vidyanagar. Maliba Pharmacy College was established in 2000 and approved by All India Council for Technical Education (for B Pharm & M.Pharm), New Delhi, the Pharmacy Council of India, the Directorate of Technical Education, Govt. of Gujarat, Gujarat Technological University and Veer Narmad South Gujarat University, Surat. Institute provides professional environment through technically advanced infrastructure, excellent learning environment and well directed honest efforts to create globally competent professionals.

OBJECTIVE OF WORKSHOP

The objective of workshop is to encompass the arena related to new advances in to preclinical research especially in Cardio Vascular System that would be highly beneficial not only for developing new ideas and commencing research into experimental pharmacology but also to strengthen the fundamentals in experimental pharmacology.

Programme details:

- 1) Eligibility- Faculty and PG students of Pharmacy, Medical, Ayurvedic colleges and Industrial Pharmaceutical research and development organizations.
