Shrimad Rajchandra Institute of Management and Computer Application

## OBJECTIVE

The objective of the NCTDS-2011 is to bring together researchers, professionals, academicians having expertise in latest technologies and thereby creating ample opportunity to share invaluable knowledge to society.

## ABOUT THE UNIVERSITY

Bardoli Pradesh Kelvani Mandal (BPKM) is a public trust established in 1960 to cater to the education need of the tribal belt of South Gujarat. Since inception it started programs in Arts, Commerce, Science and Pharmacy. In 1999 the birth of Maliba Campus, Gopal Vidyanagar was nothing short of a miracle. It had little, except a humble wish to contribute to Bardoli that seemed to lack almost in everything. Ten years have gone by, during which Pharmacy College, Business College, Computer College, Biotech Institute, Nursing and Engineering Colleges were added to Maliba Campus. From June 2011 Maliba Campus will be full-fledged *Uka Tarsadia University*.

## ABOUT THE INSTITUTE

SRIMCA is an accomplished institute managed by Bardoli Pradesh Kelvani Mandal, Bardoli established in 2002. The institute is duly recognized by AICTE, New Delhi, offering Full Time MCA and MBA programmes. The institute is equipped with state-of-the-art infrastructure to cater to the rapidly changing requirements of industries.

Placed in the heart of the fully Wi-Fi Maliba Campus, the institute facilities are established to match the global standards of education with diction vision. The visitors from business arena and IT industries have appreciated the quality of inputs and exposure being provided by the institute to the students. The students of SRIMCA have proven their mettle by securing top-notch positions in the university and corporate.

## ABOUT CSI

Formed in 1965, the CSI has been instrumental in guiding the Indian IT industry down the right path during its formative years. Today, the CSI has 66 chapters all over India, Student branches, and more than 40,000 members, including India's most famous IT industry leaders, brilliant scientists and dedicated academicians.

The mission of the CSI is to facilitate research, knowledge sharing, learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community.

## CONFERENCE TOPICS

The conference focuses, but not limited to following topics.

- iSociety, Technology & Society
- Intelligent Information Systems
- Intelligent Embedded Automated Systems
- GPS, Geographical Information Systems
- Multiagent Systems, Genetic Algorithms
- Natural Language Processing
- Image Processing, Fuzzy Logic and Reasoning
- Pattern Recognition, Speech Recognition
- Social Networking/Computing
- Cloud Computing, Bioinformatics
- Data Mining and Warehousing
- Distribute processing, Grid Computing
- Data Management, Information Security
- High Performance Computing, Remote Sensing
- Network Security and Management
- Web Mining & Content Management
- Mobile Computing, Wireless Technology
- E-Governance, E-Learning, E-Business, E-Comm.
- Knowledge Management and Society
- Emerging Applications of IT for Society

## IMPORTANT DATES
