ABOUT SRKSM :

Shri Ramkrishna Seva Mandal is renowned trust established in 1954. It has been catalyst in this process of providing a strong medical and socio-economic implication for surrounding rural area. It has created an environment for students to enhance knowledge and acquire a personality that is both dynamic and self-assertive.

The Mandal began with the modest act of charity of providing medical aid to the less privileged people of the surrounding rural area today it is shouldering the responsibilities of various institutions providing academic education in various streams as well as technical and professional education.

ABOUT AIIS :

Anand Institute of Information Science, Anand, Gujarat is a premier, highly rated M.C.A. College Accredited 'B' grade by NAAC with CGPA of 2.57, and is affiliated to Gujarat Technology University, Ahmedabad and Sardar Patel University, Vallabh Vidyanagar. The institute is approved by A.I.C.T.E., New Delhi.

The institute has been established in Sept. 2001, with a view to imparting computer education to young students of surrounding areas and from all over Gujarat.

We are organizing this seminar as an event of the Internal Quality Assessment Cell established by the institute.

OBJECTIVES:

1. Provide a platform for participants to share knowledge and experiences on e-learning with an aim to enhance the skills for teaching.
2. Analyze quality of teaching from e-learning perspectives.
3. Find out innovative models of e-learning to encourage individuals to find their own learning style.
4. Discuss current international practices in e-learning.
5. Role of e-Learning to bridge the gap between all learners regardless of race, socioeconomic status etc.

DISCUSSION THEME:

1. Impact of e-learning in quality of teaching.
2. Endorsement and blending of e-Learning with traditional training.
3. Technical and pedagogical support required to educational institutions/agencies/instructors for e-Learning.
4. Preparedness of teachers and trainers to include e-learning in their practices and make opportunities available.
5. Development of quality education environment using e-Learning.
6. Enhancement of professional ideals & standards using IT.
7. How to achieve higher order goals like understanding, reasoning and (moral) judging in e-Learning?
8. E-Learning scenario in India.
9. Technical issues in e-Learning.
10. Internationalization of education and training.
11. Project Based Learning using IT.
12. Importance of e-Library.
13. Importance of webinars and Web-based learning.
14. Future of computer-based learning.
15. Virtual classrooms and digital collaboration.
16. Mobile learning.
17. Any Relevant theme
