

## **TCS, Army, Air Force and Navy select Parul students of 2011-12 cohort**

### **TCS CAMPUS DRIVE 2011-12**

In today's scenario of globalization and open economy India is poised as global Silicon Valley, Consequently world is all about to shift their business base to India. We in India have the biggest strength of Human Resources subject to condition that proper skill levels are developed and manpower with proper attitude is made available to deploy our strength. Now a days it is not sufficient that only institution doing well but due participation of industry is also imperative in education system. Parul Group of Institutes enjoys Prominence on educational map of Gujarat State in particular & entire country in general. Parul Group of Institutes is carrying forward its legacy of creating Industry Ready Technocrats, Business Managers and Pharmacists.

TCS has critically evaluated this educational institute in terms of student's performance as well as potential, pedagogy, infrastructure, laboratory equipments, computer/internet facilities, library resources, management and educational environment in the campus. After being fully satisfied TCS has finally awarded accreditation to Parul Institute of Engineering & Technology on 1<sup>st</sup> February, 2011. Main objective of the accreditation was to evaluate the Quality of students, Teaching and Learning process and Infrastructure as per the standards of TCS.

For the year 2011-12, Parul Institute of Engineering & Technology conducted the Campus recruitment process for TCS on 22<sup>nd</sup> October, 2011.

It is remarkable that out of these 5 students hailing from economically middle strata family background got offer of package up to 3.36 lacs / annum.

It was a touching moment when a student namely Pritesh Patel was selected by TCS. Pritesh hails from farmer family. It was dream of Pritesh to support his father who was financially in dire need. Pritesh expressed his heartfelt gratitude and said, "Finally, all my hard work has paid off. I want to dedicate this success to my parents, teachers, college authorities and my friends, who encouraged me."

Army, Air Force and Navy select Parul students:

It is also remarkable that around 80 Students from various branches of engineering are short listed by Indian Army. It is noteworthy that among these 80 students, 10 girl students are also short listed.

Varia Vishal A, a student of electronics & communication engineering is, also, a similar case. His father is a clerk in a small firm. Vishal is selected by Indian Air Force and currently is undergoing training at Belgaum, Karnataka.

Moreover, for this year of Placement Indian Navy also visited and other national and multinational companies like BOSCH(I) ltd, L & T Ltd, OMEGA Maritime Mgmt. Services (P)Ltd. and many other companies are on the list.
