The TCS DAY EXTRAVAGENZA'12 was organised at PARUL INSTITUTE OF ENGINEERING & TECHNOLOGY under the auspices of TATA CONSULTANCY SERVICES on 31<sup>st</sup> March'12, Saturday. This propitious day was solely organised by the students recruited under **TATA CONSULTANCY SERVICES**.

It was an honour to have the delegates from TCS to enlighten the event with their presence. It actually could be considered as a grand fusion of institute and corporate culture.

We were obliged to have **MR. Nikhil Dabhole[Recruitment Head- Western Region]**, as our honourable chief guest and **Miss Arpana Kanojia[Recruitment Lead-Gujarat Region]**, as our

guest of honour who had taken some precious time out of their busy schedule to be with us on the auspicious occasion.

The event was themed under the title “The TATA group and its Timeline”

The event further got nourished with the presence of our Managing Trustee Dr.Devanshu Patel with whose timely support; the execution of the event became possible.

This was an extravagant event that we organized to provide our students a big platform to display their talents which cannot be exhibited in a classroom in the regular course of studies.

We at PARUL INSTITUTE believe in the strong relationship between Academic studies and co-curricular activities which are required in building up of a strong personality and unshakeable character of a student.

In various events that took place, the participants had to compete and show their calibre in various events like Selection Demystified, Consciousness, Ad – Reators, Quiz Climberz, Chasse au Tresor. We believe that with such events students develop skills and qualities such as Team Dynamics, Leadership, Discipline, Perseverance, etc.

They also learn to express themselves from the core of their heart. These things will help them boost their self confidence and help them to be better communicators. The whole process will leads them towards being better individuals ready to take up the reins of managing their country effectively.

**Hence it is our sincere effort to help our students in their academic and professional growth.**

With about 600 participants, the event was a grand success.

The event commenced with the welcome note by prof Amod Kolte [Training & Placement Officer, PIET], followed by an introductory speech by our Principal Dr.Vilin Parekh.

The atmosphere was sanctified with a zestful speech by our Managing Trustee Dr.Devanshu Patel.

Further we had enlightening words of wisdom by our Chief Guest Mr.Nikhil Dabhole followed by an inspirational seminar by him, throwing light upon TCS, it's work area & their culture there. It motivated the students to strive hard to get recruited under TCS.
