

Patrons :

Hon. Shri B. C. Patel
Chairman : SVIT - Vasad.
Hon. Prof. V. P. Parmar
Principal : SVIT - Vasad.

Coordinator :

Prof. C. D. Kotwal
Head of the Department
Electrical Engineering Department
SVIT, Vasad.

Co-Coordinator :

Prof. P. R. Gandhi
Assistant Professor
Electrical Engineering Department
SVIT, Vasad.

Organizing Committee :

Prof. S. M. Pujara
Prof. N. K. Jaiswal
Prof. N. N. Shah
Prof. R. C. Gajjar
Prof. M. P. Rathod

Certificate from Sponsoring Authority

Certified that the above applicant is employed in our organization and information stated by him/her has been verified and found correct. We sponsor him/her for attending two days workshop.

Date :

Signature of Sponsoring
Authority with Seal

Place :

Send applications to :

Prof. C. D. Kotwal / Prof. P. R. Gandhi
Coordinators
Electrical Engineering Department

About the Institute :

Sardar Vallabhbhai Patel Institute of Technology, Vasad was established in the year 1997 at Vasad. Dist. Anand approved by AICTE, New Delhi and affiliated with Gujarat Technology University and Gujarat University.

The College is located on the bank of the river Mahi in a peaceful and pollution free environment, 25 km. from Vadodara and 20 km. from Anand, near Vasad S. T. Bus-stand (on NH-8). It comprises of 26 acres of land on which the Institute building is constructed with plinth area of 390329 sq. ft. At present, the Institute offers nine Undergraduate Programmes and four Post-graduate Programmes. SVIT is a prime Institute of Gujarat Technological University and has created its unique identity by way of imparting multiple opportunities to students for acquiring quality education.

About the Department :

Electrical Engineering Department was established in 1997-98, approved by AICTE and accredited by NBA, New Delhi, July-2008.

The Department has well qualified staffmembers, state of art laboratories with latest licensed Softwares like : PSCAD, MATLAB, ETAP, ICAP, Multisim for Electrical Engineering applications. The department has more than one thousand books in department library with reputed magazines and journals and wide collection of various teaching aids including models, technical charts, transparencies, working cut section of machines and model of machines for better understanding of students.

Eligibility :

Faculty from Electrical Engineering background, Postgraduate, Pre-final and final year graduate electrical engineering students from engineering colleges and professionals from industries.

Course Contents of the Programme :

- ◆ Power System Security.
- ◆ Wide Area Measurement System (WAMS)
- ◆ Artificial Intelligence to Voltage Stability.
- ◆ Smart Grid.
- ◆ Advance Protection devices/Numerical relays.

Speakers :

Course will be conducted by senior and experienced persons from reputed institutes and industries.

Registration Fee :

Academic Institute Persons : ₹ 600/-
Industrial Persons : ₹ 900/-
Students : ₹ 300/-

Demand draft should be drawn in favour of "SVIT" Payable at Vasad.

Interested candidate should send the complete registration form along with demand draft to the coordinators by Post / hand on or before **17th January, 2011**. The selected participants will be informed through post / email.
