## GUJARAT TECHNOLOGICAL UNIVERSITY

## Diploma Engineering - SEMESTER-V • Examination – WINTER • 2014

	bject	Date: 04-12-2014	
Tiı	me: 1 truction		Total Marks: 70
	1. 2. 3. 4.	Attempt all questions. Make suitable assumptions wherever necessary. Figures to the right indicate full marks. English version is considered to be Authentic.	
Q.1	1. 2. 3. 4. 5.	Answer any seven out of ten. Define: Intruders and Insiders. Define: Internet and Intranet. Define: Encryption and Decryption. Write an advantages of NIDS. Write a simple example for conversation of plain text in to cipher to Caesar cipher.	14 rext using
Q.2	6. 7. 8. 9. 10.	List the features of Secure electronic transaction. Write in short : Sniffing. What do you mean by web traffic? What is a Backdoors.? Write a component of a good password.	
	(a)	Difference between DOS and DDOS. OR	03
	(a)	Write a Short note on steganography.	03
	(b)	To convert given plain text in to cipher text using vigenere cipher. Plain text is "GUJARAT UNIVERSITY" Key is "TECHNOLOGICAL".	03
	(b)	OR Explain private key protection.	03
Q.3	(c)	Explain MIM	04
	(c)	OR Explain Transposition technique	04
	(d)	Explain SHA-1 function in short. OR	04
	(d)	Write a limitation of firewall	04
	(a)	How to use digital certificate? OR	03
	(a)	Write an advantages of HIDS.	03
	(b)	Explain in short : spoofing	03
	(b)	OR Explain Bridge trust model.	03
	(c)	What is centralized infrastructure ? Write a limitation of it.	04
	(c)	OR List the types of firewall. Explain any one from it.	04

	(d)	Explain SSL/TLS.	04
		OR	
	(d)	Explain architecture of IP security.	04
Q.4	(a)	Explain authentication in terms of Security.	03
		OR	
	(a)	Explain Data integrity in terms of Security.	03
	(b)	Difference between Symmetric encryption and Asymmetric encryption.	04
		OR	
	(b)	Explain Security of Email transmission.	04
	(c)	Explain Play fare cipher with example.	07
Q.5	(a)	Explain Kerberos authentication.	07
	(b)	What is Biometrics ? write a short note on finger prints.	04
	(c)	Explain" computer generated passwords" selection strategy.	03
