Date: 18/05/2015

Total Marks: 70

1

Enrolment No._____

- (b) As a franchisee, how would you research a franchisor and its **07** franchise system?
- Q.5 (a) What are the disadvantages of franchising to both the franchisor 07 and franchisee?
 - (b) The vehicle that propels the majority of international expansion in franchising is master franchising. Franchisors grant contractual development rights for their concept to an individual or an organization. For example, an entrepreneur in China buys the master license rights for McDonald's and commits to develop McDonald's restaurants in China. McDonald's commits to train the Chinese entrepreneur the master franchisee, to become its development agent and representative in China. The Chinese entrepreneur is likely to be responsible for selling McDonald's franchises, and training and supporting franchisees in China.

Some International franchisors have taken the master franchising route to enter into the Indian market also. What are the motives for a franchisor to enter a foreign market through master franchising?

OR

- Q.5 (a) Which aspects of renewal and termination should a franchisee pay 07 attention to in the franchise agreement?
 - (b) Explain the terms product format and business format franchising 07 and single unit and multi unit franchising.
