Gujarat Technological University announces switching to newly designed website http://gtu.ac.in with effect from 1st August, 2016 to be the official website viewable to public. An option was available for users to navigate to old GTU website http://old.gtu.ac.in on home page till date. Please note that the old website would not be available henceforth. The site's homepage features bright colors and an uncluttered design which makes it more user-friendly.

As a Technological University, it is important for us to make all information easily accessible to our current and prospective students and faculties. The new website is interactive and automatically adjusts to the type of device it is being viewed on.
