

Gujarat Technological University

Research Week Workshop - Civil Engineering

Speaker	Topic	Date	Venue
Dr. H S Patil	<i>Review of research method</i>	12th March, 2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. Ashish Verma	<i>Multi-objective transit trip itinerary planning system using GIS Banglore City</i>	12th March, 2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. Durgesh Rai	<i>Masonry Research</i>	13th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. S.L. Dhingra	<i>"Transit Oriented Development"</i>	13th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. R.S. Jangid	<i>Structural Controls</i>	14th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. Ajay Gupta	<i>Some Aspects of structural assessments for retrofitting of structure</i>	14th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. Tom V. Mathew	<i>Design and evaluation of area traffic control system for Indian Condition</i>	15th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. Rajiv Gupta	<i>Wind Tunnel-An important tool in Designing of Civil Engineering Structures</i>	15th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. V. Jothiprakash	<i>"Application of soft computing for rainfall-reservoir inflow"</i>	16th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
Prof. Deepankar Choudhury	<i>Need of study of seismic liquefaction and ground response for design of foundation</i>	16th March,2012	Vishveshwariya Hall, L.D.College of Engineering, Ahmedabad, Gujarat, India
