

Expert Opinion About GTU'S Research Week For Faculty of Pharmacy
Research Week Schedule (03/04/2013 to 16/04/2013)

Date of Research Week :- 04/04/2013

Dr B G Chaudhary (SKPCPER Ganpat univ) "I am really impressed .It's good to gather all faculties from different colleges ,sharing ideas with different people from different places is good, students come to know where they are standing.

Suggestions: Students must be provided with proper facilities, communication gap between students and teachers must be filled."

Dr Nrupesh Patel (Nirma Univ) : "The concept of research week is good, it is centralized ,also good for faculties since they have interaction with other faculties from different colleges."

Suggestions: University must set out some time limit in which the projects are prepared by students. Proper instrumentation, good infrastructure, labs, journals, periodicals must be provided by the students."

Dr R K Goyal (Ahmedabad University) "It's a novel concept, something great. Workshops are organized for students after the review, it is really good.

Suggestions: Students must give a concise writ up before the presentation, research mela, venture studio, venture labs sort of things must be organized. Small conferences at the end could be taken up by the industrialists."

Dr Narmada G Y (VIPS Bangalore) : “ This is a good concept, it makes students more prepared ,gives them a good exposure.They come to know where they are lagging .It is beneficial for the students as they come to know about better methodologies,develop better confidence.”

Suggestions: GTU can organize national level conferences,symposium on a particular theme or topic.It must be done more frequently in an year.”

Dr Rajnikant Maradiya (DDU Nadiad) “ It is good .It’s really difficult to arrange students ,faculty from all over Gujarat ,and GTU has done a commendable job on that part. It is excellent.”

Suggestions: Guidelines must be followed .Students must know the real aim of projects.”
