

## Expert Opinion About GTU'S Research Week For Faculty of Pharmacy Research Week Schedule ( 03/04/2013 to 16/04/2013)

Date of Research Week :- 08/04/2013

**Dr Shubhini Saraf( Babasaheb Bhimrao Ambedkar University,Central University,Lucknow):** "This is really creditable ,such sort of activities are good. Since students have a limited exposure ,it provides a right direction to the students .It must be continued.

**Suggestions:** It is good that the projects of students were oriented towards industries, but research work is less .Whatever suggested in the previous review must be implemented by the students for future ."

**Dr Sreedhara R Pai (Manipal University):** "It is an innovative way of promoting quality research .It is a unique way of reviewing the students, generally such a review is there only for PHD. Very happy to see enthusiastic university staff who working for the students. Students must utilise this.

**Suggestions:** Externals must be informed of the topics beforehand."

**Dr Shailendra K Saraf(BBDNIT Lucknow):** "It is a good initiative I have seen this for the first time ,some projects are very good.

**Suggestions:** The projects where the students need work must be given time Or two slots for completion of projects may be made. University could invite examiners from other states could be invited to avoid bias."

**Dr Bhavesh Patel (KBIPER, Gandhinagar):** "This is very nice and accordingly organised. Students and faculty have a chance to meet their old colleagues, friends.

**Suggestions:** This must be organised twice a year .Students can upgrade the quality of their projects by considering the suggestions of the externals."
