

Expert Opinion About GTU'S Research Week For Faculty of Pharmacy **Research Week Schedule (03/04/2013 to 16/04/2013)**

Date of Research Week :- 15/04/2013

Dr. Vinay Chawla (BBDNIIT, Lucknow):

GTU research week is an excellent initiative where things have been managed very nicely. If the VC of all universities starts thinking in a similar manner, India can do wonders.

The work of the students needs more guidelines to improve their work. Some students are potential and novel in research aim.

Suggestions: University can demand quality of work/ research from student and award the degree based on their calibre.

Dr. Nayan Kshatri (DGM Cadila Pharmaceuticals):

It is a good initiative from GTU. Students will definitely get advantage of experience & knowledge of various faculties during research week. Students have shown good enthusiasm.

Suggestions: University should arrange training on various guidance & pharmacological knowledge & understanding

Dr. V. Gopal (Principal, Registrar Academic, Pondicherry Institute .)

Research week is a good thought and is extraordinarily planned. Work of students is good but there is a scope of improvement. Students need more inspiration and direction with more research facilities. "Wisdom is more important than knowledge."

Suggestions: University can do periodical review and orientation program. Can organize research methodology class and teach English too.

Mr. H.S. Rao (Sai Institute of Pharmacy Education & Research, Amritsar):

It was very well planned and well executed event. The subject matter and efforts put in by the researchers are commendable. Students need to emphasize on the last review reports.

Suggestions: University can arrange for seminars of the experts more often on topics related to the students & not on the expert's choice.
