

GUJARAT TECHNOLOGICAL UNIVERSITY

GTU/SocialActivity/BloodDonation/2011 /7768- Dt.02/08/2011

To,
Head of Institute,

Sub: To organize one blood donation camp in each semester

Sir,

Gujarat Technological University is formed to excel in technical education. Along with academic activities, all institutes have to give their best contribution in the social activities like blood donation camp & Thalesemia awareness & testing for the students of Gujarat Technological University of Gujarat state. The aim to carry out these activities for the students is to inculcate concept of social responsibilities along with awareness of their own health status.

It was great news that GTU was awarded with **SHERDIL GUJARAT AWARD OF BLOOD DONATION** on 14th June 2011 (World Blood Donor Day) in function organized by Indian Red Cross Society in presence of HE Governor of Gujarat Dr Kamalaji, Honorable Chief Minister Shri Narendra Modi & Honorable Health Minister Shri Jaynarayan Vyas. I want to congratulate all who contributed excellently last year. I want to request you to organize at least one blood donation camp per semester with double enthusiasm this year.

Blood is a unique product which can not be made in factory. So donation of blood has its own importance & significance. Blood donation will help the needy people in the emergency & will save many lives. Gujarat already became the leader in blood donation activity in nation. Now it's our time to contribute in the area of blood donation. It is planned to organize systematic blood donation drive in the state by colleges under the umbrella of GTU. It will become outstanding contribution for the state. We also make students aware about their social responsibilities. All institutes are informed to organize minimum two blood donation camps per year i.e one camp per semester. Students & faculty members will donate blood voluntarily in these camps.

Winners of : ICT Enabled University Award, E - India - 2009 ♦ Manthan Award - 2009

GUJARAT TECHNOLOGICAL UNIVERSITY

Indian Red Cross society will help & coordinate blood donation drives. All institutes are requested to co-operate officials from Indian Red Cross society. Suryakant Nail (98259 84880), Assistant Director, Varshaben Joshi (97277 45507), Public Relation Manager & Dr Chaitanya Vora (98250 94910), Director, Ahmedabad Red Cross Blood Program will co-ordinate this project on behalf of IRCS. Members of IRCS are authorized to carry out blood donation camps & all Institutes have to support IRCS. You can refer GTU web site for information of IRCS centers in vicinity of your college.

All head of institutions are requested to organize at least one camp per semester because it is very helpful to the society. Capt C S Sanghvi Associate Professor, Applied Mechanics will co-ordinate the whole project on behalf of GTU. His contact No 90990 35600 & 98242 28774 & email address is social_act@gtu.edu.in & cssanghvi@rediffmail.com.

Positive response is expected

Thanking you.

Yours,

**Vice Chancellor
Gujarat Technological University**
