Respected sir,

This is to inform all affiliated colleges to verify their **Institute names** & their **Branch names** with the Institute Names and their branch names list put up by the GTU on their website. If you found any variations in the Branch OR Institute name, then please submit the respective copy of the AICTE approval letter for making the necessary changes within two days.

We will consider the same Institute name and Branch name in case of non issuance of the evidence for the changes.

Regards,
