**S.A. Hussain,  
Head, RSD**

Ref: AERB/RSD/2011/2316

February 18, 2011

**Sub: Information on status of radiation sources**

Dear Sir /Madam,

You may be aware that it is a mandatory regulatory requirement that all institutions using radiation sources maintain and update the inventory of all the radiation sources available in their institution and send periodic reports to AERB about their present status.

Departments located in your campus as well as some of the academic institutions/research centers under the domain of your University /Authority may also be in possession of radiation sources for various research, teaching /training purposes. We are sincerely looking forward for your co-operation in identifying and reaching out to all such departments / institutions and advise them to prepare updated inventory of radiation sources, and submit the same to this office.

In case any department / institution do not possess any radioactive source, they should be advised to send a 'NIL' report to AERB.

Moreover, it will be highly appreciated if a copy of the addresses, phone numbers, fax numbers and e-mail of all the institutions, departments and concerned responsible persons for handling of radiation sources under your University is provided to this office for further action in this regard.

*Pl. Make  
an website  
& inform  
all institutes  
& send it  
to AERB  
2011*

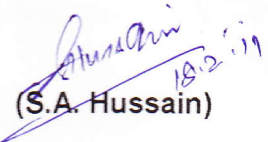

1421  
874 F

This information is solicited to make it doubly sure that the national inventory of radiation sources remains updated in the interest of public and environmental safety.

It may also be noted that, recognizing the importance of above requirements Secretary, University Grants Commission (UGC) issued a letter D.O. No. F.10-1/2010 (CPP-II) dated 07-01-2011 (*copy enclosed*) asking for compliance of the guidelines by all universities given in the document entitled, "UGC Guidelines for Universities, Research Institutes and Colleges for Procurement, Storage, Usage and Disposal of Radioactive and Other Hazardous Materials/Chemicals".

You are requested to kindly confirm the receipt of this letter.

B.O. No. F.13-1/2010 (GRP-II)

47 JAN 2011

Dear Sir / Madam

UGC has prepared guidelines for universities and colleges for procurement, storage, usage and disposal of radioactive and other hazardous material/chemicals. Awareness of and adherence to these guidelines is of utmost importance, particularly in view of the recent accident of disposal of Cobalt-60 isotope by the University of Delhi in a casual manner causing death of one person and illness to many others.

A copy of the guidelines, which were approved by the Commission in its meeting held on 27<sup>th</sup> September, 2010, is enclosed.

It may please be noted that compliance of these guidelines is mandatory without exception. Action taken in the matter may please be intimated to UGC at the earliest.

With regards,

Yours sincerely,

*N. A. Kazmi*
