

Guidelines for final year Project in Degree Engineering”

Problem/Project definition for the project needs to be submitted by every student at the beginning of the 7th Semester to his/her college in soft copy at a date to be decided by each College.

The College has to send the evaluation of the Problem/Project definition for all its students on or before 15th August 2011 in soft copy in a specified format.

Each definition will be reviewed and evaluated in the beginning of the 7th semester (after submission of IDP by students) itself by the College. The Guides have to suggest /comment while definition of the industry related issues (IDPs) are being developed by final year students. Every College should send all the Problem/Project Definitions along with names of concerned team of students and guide in the specified format to GTU before 15th August, 2011 in soft copy.
