

GTU INNOVATION COUNCIL

GTU Innovation Council nominates Directors for Various Innovation Sankuls

12th May 2011

GTU Innovation council has nominated 24 Directors for various Sankuls in Phase 2 and they will be taking care of the following activities.

1. To arrange periodic meeting among other principals of the same vertical under a particular Sankul to design branch specific road maps.
2. To work for ensuring that all the Udisha Clubs in each of the Colleges are activated and that they play a significant role in policy designing and executing it.
3. To ask the Principals to allocate specific teachers to 30-40 students of each college who will take care of Industrial Shodh Yatras.
4. To distribute (and to redesign, if required) process formats of scouting and documenting of IDPs (Industry Defined Projects) from industries during shodh yatras.
5. To design an algorithm to map every 3-4 student (along with their faculty, if possible) to a specific industry / MSME.
6. To monitor evaluation of IDPs in early final year and to submit it to GTU.
7. To maintain healthy interaction with nearby industries of the same vertical through periodic meetings both at industry chamber and at various colleges under the respective Sankul.
8. To provide periodic updates / reports of activities / research developments / needs / meetings and associated things to GTU Innovation Council. These will be shared in the public domain so that Sankuls can learn about best practices from one another.
9. To locate innovative ideas / projects of your domain and Sankul, which need support in IPR, product designing support and any further requirement which can be directly taken care of by GTU Innovation Council.
10. To arrange periodic interactions with Udisha Clubs, students and faculties of various institutes to take their inputs in designing the local policies and disseminating information about the progress and programs of GTU Innovation Council and respective Sankuls. (The objective is to motivate the faculty members to participate in the industry-institute inter-action and to help make it more intensive).
