## Core Courses for PhD Scholars

The core course shall be offered as self study course by the supervisors.

The guidelines for self study course are as stated below:

- The course syllabus shall be of high standards and exhaustive enough for a full semester course of 4 credits. The Syllabus should be sent to GTU at the earliest.
- The course shall be evaluated as per 80+20 marks scheme.
- Supervisors shall do a continuous evaluation of 20 marks during the semester.
- The scholars shall have to submit a term-end paper, where in he/she
  - Clearly specifies what the student has learned over the semester.
  - In the paper he/she should give a week-by-week learning protocol that they have done.
  - It should also systematically give a description of the work done by the candidate in his/her own words.
- At the end he/she should submit to GTU, the power point slides which the candidate will be presenting to the examiner.
- The term end paper shall be evaluated by external examiners for 80 marks.
