

Efforts made by GTU-ITAP Cell

Gujarat Technological University – Integrated Training and Placement (GTU-ITAP) cell has started the efforts to create opportunities for students.

During last 15 days ITAP has conducted 4 campus drives and 3-4 campus drives are in the pipeline. More than 4000 students have participated in the campus recruitment activities. Industries like e-Infochips, Elecon, Pratibha Industries; CMC Tata enterprise have conducted the drives for GTU-ITAP.

Recently meetings at Regional level took place in Rajkot, Visnagar, Ahmedabad, VallabhVidhyanagar, Baroda and Bhuj. Co-ordinators of all the regions & faculties as Co-ordinators in all regions have been nominated. It is expected that GTU-ITAP will be able to create strong placement environment through-out the Gujarat Technological University. A number of industries is expected to visit for placements for the students of GTU by the end of April 2012. GTU would like to ensure that after June 2012, lateral placements will also create a number of opportunities for GTU graduates.

Note: These activities are being conducted through GTU-ITAP cell. ITAP cell works through Training & Placement Officers (TPOs) of Colleges. If a college or Polytechnic has not yet informed about its TPO, the college or Polytechnic may do so immediately with reference to circular uploaded on GTU website on 13.02.2012 or by contacting Kinjal Joshi or Mansi Thakkar on gtuprojects@gtu.edu.in
