A Message

Gujarat Technological University wants to excel in academic activities. In addition it also wants to be a leader in social activities like blood donation camp & Thalassemia Awareness & Testing for its students. The aim of such activities for the students is to inculcate the concept of social responsibility along with awareness of their own health status.

In 2011, GTU was awarded the SHERDIL GUJARAT AWARD OF BLOOD DONATION on 14th June 2011 (World Blood Donor Day) at a function organized by Indian Red Cross Society in the presence of Her Excellency Dr Kamalaji, Governor of Gujarat, Honorable Chief Minister Shri Narendra Modi & Honorable Health Minister Shri Jaynarayan Vyas.

I congratulate all those, who contributed last year.
