Leadership at educational institutions is even more important than the leadership at large corporate house. Leadership Programs are organized only for the managers of large companies regularly. GTU is the first university which is bringing such program for its principals / Directors / Heads of department, since the Leadership at every college determines the success of the institute.

Please fill up the following form and send it to [conference@gtu.edu.in](mailto:conference@gtu.edu.in) with the Subject line “Seminar on Lead Tomorrow” on or before 2<sup>nd</sup> March, 2012.
