

## **Polytechnics in Gujarat**

Diploma Institutes are, basically, governed by Commissionerate of Technical Education, Gujarat State, various private aided trusts and Private self-financing trust/bodied. In Gujarat State the number of total Diploma Institutes is 93 and the numbers of seats are approximately 55,000. The Gujarat Technological University is the largest University in Gujarat and has, recently, launched it's new Curriculum. It is based on the large industry survey and the needs of different kinds of Industry. Diploma Engineering has contributed in Gujarat State for long time, when there were very few Engineering Colleges/Institutes including two Government Colleges-L D College of Engineering, Ahmedabad and L E College, Morbi. Even today, the Diploma Engineering Institutes are having great Importance in Academics and Industries.

## **Content Management System** **(Mathematics)**

Recently, GTU has launched a new curriculum in various branches of Diploma Engineering. Mathematics is an important subject and all the branches have to study Mathematics. But for last few years, the number of passing students is alarming.

The present workshop is arranged for the faculties to have an over-view of new curriculum and to have exchange the ideas/views of experience faculties. Even, we have new faculties in many Institutes ,from whom we may have innovative ideas and modern thinking. Moreover,we share and synchronize the teaching process, if nessesery, for various types of Topics and Sub-Topics of the new Syllabus. The innovative process of Computing Skill is introduced and we hope this will help to steer and motivate the New Century students', of course, the faculties, too.

- We wish to achieve better quality Teaching-Learning process.
- Enhance the technological Mathematics to all students and can develop positive Mathematical tools to have batter skilled Diploma Engineers.
