Circular

All the Principals of Degree Engineering Colleges are informed that from the current academic term (*starting from June 2012*), Contributor Personality Development Program (Subject Code: 1990001) will be in the 7th Semester degree Engineering for all the streams.

This is a 48 hour 4-credit course. You are requested to account for this subject while finalizing the time-table for the term.

GTU will organize only 2 Faculty Development Workshops for this program.

1. **FDP 1** - Ahmedabad
2. **FDP 2** - Vadodara

All colleges are urged to send their nominated faculty members for these workshops in case they have not undergone the training earlier.

Please Note that Faculty members who have already undergone CPDP training in the last term are not required to come again.

Note: Venue, Date of FDP and Registration form will be uploaded on the website shortly.
