SUDBURY ONTARIO CANADA

The City of Greater Sudbury serves as the regional capital of northeastern Ontario. The City has matured into a diversified regional urban centre which has become the focus of technology, education, government and health services.

Located 390 kilometres north of Toronto, it is surrounded by the raw beauty of the Canadian Shield. The City of Greater Sudbury contains 330 lakes within its municipal boundaries. Greater Sudbury's urban core also boasts numerous lakes which are a valued natural amenity. Situated in the heart of the city, Ramsey Lake provides public access that is only a few minutes walk from the downtown core.

For detailed street maps, please consult the [Mapbook & Geocode Street Guide](#) for the City of Greater Sudbury.
