

GUJARAT TECHNOLOGICAL UNIVERSITY

Workshop on Introduction to Climate Change program

Saturday, 24 November 2012

organized jointly with

Cluster Pulse and the German International Development Agency

GTU invites faculty members, doctoral students and Master's students interested in the area of Climate Change to the Workshop on Introduction to Climate Change program.

Registration is based on first cum first serve, since only a limited number of seats are available. Kindly register at the earliest.

Workshop Date: Saturday, 24 November 2012

Venue: GTU Gandhinagar Campus (Old GNLU campus), Near Gujarat Polytechnic College, K-6 Circle, G.I.D.C, Sector - 26, Gandhinagar, Gujarat. (Click: [map GTU Gandhinagar.pdf](#))

Fees: No fees.

Timing: 09:30AM to 1:30PM

Registration: For registration, kindly visit the below link:

Note: The German International Development Agency is organizing a full-day workshop for Training the Trainers for Climate Change Adaptation (CCA) on 6th December 2012 in Delhi. The Trainers will train the Indian MSMEs in CCA.

Since all the twenty five GTU Innovation Sankul are working closely with MSMEs in Gujarat, GTU will like its students and faculty members to take up the task of training the MSMEs in CCA.

Hence GTU will select a few participants from this workshop of 24th November 2012 and depute them to the workshop of 6th December 2012 in Delhi.

GUJARAT TECHNOLOGICAL UNIVERSITY
