## **A-VIEW Workshop at Gujarat Technological University**

Amrita University shall be conducting a three day onsite workshop on A-VIEW (Amrita Virtual Interactive E-Learning World) – a versatile e-learning tool by Amrita E-Learning Research Lab at Gujarat Technological University on **7th (All BE/BPharm Colleges) ,8th (All Diploma, M.Pharm, ME, D.Pharm, Hotel Management) &9th (All MBA, MCA Colleges) December 2012 .**

### **About A-VIEW**

A-VIEW is an interactive multimedia e-learning platform used for conducting large live distance education classes by enabling teachers to reach out to multiple remote classes using the internet. This software was used to train 10,000 teachers from all over India digitally in July 2012 in collaboration with IIT Bombay.

A-VIEW is available free of cost to all higher educational institutions and is currently deployed at more than 1500 higher educational institutions across India. A-VIEW shall be deployed at most universities and colleges by the end of next year.

In 2011, A-VIEW won the jury award for the Best Innovation in Open and Distance Learning under Higher Education category in the World Education Summit held at New Delhi. In June 2012, the Computer World Magazine (USA) recognized Amrita E-Learning Research Lab with Computer World Honors Laureate 2012 for developing A-VIEW under the Training and Education category. A-VIEW also received the educational excellence award in the field of educational technology at the Indo-Global educational summit held at Hyderabad in September 2012.

### **Workshop**

The workshop is intended to provide participants the required knowledge and skill that will enable them to use A-VIEW proficiently. Seats are limited for the workshops and the registration is based on first come first serve basis at [www.aview.in/workshop-registration](http://www.aview.in/workshop-registration). Travel charges ,incidentals and accommodation charges ( for participants travelling from outstation)are reimbursable against submission of bills.
